

Professional Smart Security

Indoor 360 Camera

Model: CAM-360-JS1

The Indoor 360 Camera gives customers peace of mind inside their homes. It features full 1080P HD video, two way audio and 30 feet of night vision to keep customers feeling safe day and night.

The Indoor 360 can be used as a stand alone video surveillance system or as part of a more holistic security and automation system when paired with Alula's Connect+ or BAT-Connect. Offer customers what they need now, plus give them an option to an expandable security & automation platform in the future.
